

Summary of Benefits and Coverage: What this Plan Covers & What You Pay For Covered Services

Coverage Period: Beginning On or After 1/1/2026

Coverage for: Individual + Family | Plan Type: PPO

Blue Shield Minimum Coverage PPO

 The Summary of Benefits and Coverage (SBC) document will help you choose a health plan. The SBC shows you how you and the plan would share the cost for covered health care services. **NOTE: Information about the cost of this plan (called the premium) will be provided separately.** This is only a summary. For more information about your coverage, or to get a copy of the complete terms of coverage, visit bsca.com/policies/ML002197_EOC.pdf or call 1-888-256-3650. For general definitions of common terms, such as allowed amount, balance billing, coinsurance, copayment, deductible, provider, or other underlined terms see the Glossary. You can view the Glossary at healthcare.gov/sbc-glossary or call 1-866-444-3272 to request a copy.

| Important Questions | Answers | Why This Matters: |
|---|--|--|
| What is the overall deductible? | \$10,600 per individual / \$21,200 per family for participating providers; \$21,200 per individual / \$42,400 per family for non-participating providers. | Generally, you must pay all of the costs from providers up to the deductible amount before this plan begins to pay. If you have other family members on the plan each family member must meet their own individual deductible until the total amount of deductible expenses paid by all family members meets the overall family deductible. |
| Are there services covered before you meet your deductible? | Yes. Preventive care and services listed in your complete terms of coverage. | This plan covers some items and services even if you haven't yet met the deductible amount. But a copayment or coinsurance may apply. For example, this plan covers certain preventive services without cost-sharing and before you meet your deductible. See a list of covered preventive services at healthcare.gov/coverage/preventive-care-benefits . |
| Are there other deductibles for specific services? | No. | You don't have to meet deductibles for specific services. |
| What is the out-of-pocket limit for this plan? | \$10,600 per individual / \$21,200 per family for participating providers; \$25,000 per individual / \$50,000 per family for non-participating providers. | The out-of-pocket limit is the most you could pay in a year for covered services. If you have other family members in this plan, they have to meet their own out-of-pocket limits until the overall family out-of-pocket limit has been met. |
| What is not included in the out-of-pocket limit? | Copayments for certain services, premiums, balance-billing charges, and health care this plan doesn't cover. | Even though you pay these expenses, they don't count toward the out-of-pocket limit. |
| Will you pay less if you use a network provider? | Yes. See blueshieldca.com/fad or call 1-888-256-3650 for a list of network providers. | This plan uses a provider network. You will pay less if you use a provider in the plan's network. You will pay the most if you use an out-of-network provider, and you might receive a bill from a provider for the difference between the provider's charge and what your plan pays (balance billing). Be aware, your network provider might use an out-of-network provider for some services (such as lab work). Check with your provider before you get services. |
| Do you need a referral to see a specialist? | No. | You can see the specialist you choose without a referral. |

 All **copayment** and **coinsurance** costs shown in this chart are after your **deductible** has been met, if a **deductible** applies.
