

 The Summary of Benefits and Coverage (SBC) document will help you choose a health plan. The SBC shows you how you and the plan would share the cost for covered health care services. **NOTE: Information about the cost of this plan (called the premium) will be provided separately. This is only a summary.** For more information about your coverage, or to get a copy of the complete terms of coverage, call **1-855-OSCAR-55** or visit <https://www.hioscar.com/forms/2022/ca>. For general definitions of common terms, such as **allowed amount**, **balance billing**, **coinsurance**, **copayment**, **deductible**, **provider**, or other **underlined** terms, see the Glossary. Important Questions	Answers	Why This Matters:
What is the overall deductible?	\$2,150 individual / \$4,300 family	Generally, you must pay all of the costs from <b>providers</b> up to the <b>deductible</b> amount before this <b>plan</b> begins to pay. If you have other family members on the <b>plan</b> , each family member must meet their own individual <b>deductible</b> until the total amount of <b>deductible</b> expenses paid by all family members meets the overall family <b>deductible</b> .
Are there services covered before you meet your deductible?	Yes. <b>Preventive care</b> and pre- and post-natal care.	This <b>plan</b> covers some items and services even if you haven't yet met the <b>deductible</b> amount. But a <b>copayment</b> or <b>coinsurance</b> may apply. For example, this <b>plan</b> covers certain <b>preventive services</b> without <b>cost sharing</b> and before you meet your <b>deductible</b> . See a list of covered <b>preventive services</b> at <a href="https://www.healthcare.gov/coverage/preventive-care-benefits/">https://www.healthcare.gov/coverage/preventive-care-benefits/</a> .
Are there other deductibles for specific services?	Yes. \$500 individual / \$1,000 family for <b>prescription drug coverage</b> . There are no other specific <b>deductibles</b> .	You must pay all of the costs for these services up to the specific <b>deductible</b> amount before this <b>plan</b> begins to pay for these services.
What is the out-of-pocket limit for this plan?	\$8,550 individual / \$17,100 family	The <b>out-of-pocket limit</b> is the most you could pay in a year for covered services. If you have other family members in this <b>plan</b> , they have to meet their own <b>out-of-pocket limits</b> until the overall family <b>out-of-pocket limit</b> has been met.
What is not included in the out-of-pocket limit?	<b>Premiums</b> and healthcare this <b>plan</b> does not cover.	Even though you pay these expenses, they don't count toward the <b>out-of-pocket limit</b> .
Will you pay less if you use a network provider?	Yes. See <a href="http://www.hioscar.com">www.hioscar.com</a> or call <b>1-855-OSCAR-55</b> for a list of <b>network providers</b> .	This <b>plan</b> uses a <b>provider network</b> . You will pay less if you use a <b>provider</b> in the <b>plan's network</b> . You will pay the most if you use an <b>out-of-network provider</b> , and you might receive a bill from a <b>provider</b> for the difference between the <b>provider's</b> charge and what your <b>plan</b> pays ( <b>balance billing</b> ). Be aware, your <b>network provider</b> might use an <b>out-of-network provider</b> for some services (such as lab work). Check with your <b>provider</b> before you get services.
Do you need a referral to see a specialist?	No.	You can see the <b>specialist</b> you choose without a <b>referral</b> .

All **copayment** and **coinsurance** costs shown in this chart are after your **deductible** has been met, if a **deductible** applies.
