

Your summary of benefits

Anthem® Blue Cross

Your 2024 Contract Code: 9KEY

Your Plan: Anthem Gold Priority Select HMO 35/1250/20% RxD

Your Network: Priority Select HMO

This summary of benefits is a brief outline of coverage, designed to help you with the selection process. Unless stated otherwise, services received in an office, Ambulatory Surgical Center, or outpatient facility are combined across all outpatient settings. This summary does not reflect each and every benefit, exclusion and limitation which may apply to the coverage. For more details, important limitations and exclusions, please review the Evidence of Coverage (EOC). If there is a difference between this summary and the Evidence of Coverage (EOC), the Evidence of Coverage (EOC), will prevail.

Anthem Blue Cross HMO benefits are covered only when services are provided or coordinated by the primary care physician and authorized by the participating medical group or independent practice association (IPA); except OB/GYN services received within the member's medical group/IPA, and services for mental health and substance use disorders. Benefits are subject to all terms, conditions, limitations, and exclusions of the EOC.

The family deductible and out-of-pocket limit are embedded, meaning the cost shares of one family member will be applied to the per member deductible and per member out-of-pocket limit; in addition, amounts for all covered family members apply to both the family deductible and family out-of-pocket limit. No one member will pay more than the per member deductible or per member out-of-pocket limit.
